EXHIBIT BOOTH INFORMATION

This year the ISHRS will lease 2-meter-deep x 3-meter-wide exhibit booths. These are white hard-shell booths with 1-meter-high side walls and a 2.5-meter-high back wall, a standard company ID sign, gray carpeting, 2 spotlights for basic illumination and one electrical power strip. No furnishings are supplied by the booth. Furnishings must be ordered by the exhibitor from the official service contractor, at their own expense. Exhibit booths are located at the InterContinental Berlin in the Pavillon, Wintergarten and Potsdam Foyer on the Lobby Level. These exhibit areas are either directly outside of or down the hall from the General Session in the Potsdam Ballroom.

See the Exhibit Floor Plan at the end of this Exhibit Prospectus. NOTE: The floor plan is preliminary and subject to change. The ISHRS reserves the right to amend the floor plan and exhibit booth assignments.

All custom-built booths (those not using the booth shell provided by the ISHRS) must be approved by the ISHRS.

The exhibit program is limited to standard spaces that measure 2 meters deep x 3 meters wide and multiples of those standard spaces. A maximum of four (4) exhibit booths per exhibitor is permitted, pending space availability.

Exhibit booth assignments are made on a first come, first served basis. Exhibit booth number assignments are confirmed and communicated to the exhibitor contact person via e-mail on the date indicated in the timeline. No exhibit booth locations are guaranteed until confirmation on this date. The exhibitor's booth location preference is considered, but the ISHRS reserves the right to assign booths at its total discretion. All dimensions are believed to be accurate but are not warranted by the ISHRS. To maintain uniformity and to prevent obstruction of view of other booths, solid or draped walls or objects in the booth can be no higher than 2.5 meters in the back and no higher than one meter along the sides. All exhibitor materials and signage must stay inside the exhibit booth and not be placed in or overflow into the aisles. Exhibitors may not attach graphics, etc. to the outside of the booth walls. Exhibitors are not allowed to use glue, nails, pins or other adhesives to mount prints on the booth panels.

Exhibit personnel must stay inside the assigned exhibit booth while representing the company (no "selling in the aisles").

The exhibit area is sufficiently lit for adequate general illumination and two spotlights are included in each booth. Any additional in-booth lighting and additional electrical needs must be ordered and paid for by the exhibitor. All electrical work must be supplied by the exclusive electrical contractor for the meeting, which is the InterContinental Berlin. All draping or display materials of cloth must be fireproof. Under no conditions will oils, gases, or other combustible or flammable materials be permitted in the exhibit area.

All packing containers, excelsior, wrapping paper, etc., are to be removed from the floor and must not be stored under tables or behind displays. The ISHRS does not provide storage space for exhibitors.

Exhibitors represent and warrant that they shall comply with all national, state, and local fire regulations and accept full responsibility for such compliance.

PRODUCTS/SERVICES EXHIBITED

Products or services exhibited (or referred to) must be related to hair restoration or hair restoration surgery and normally manufactured or supplied by the exhibitor. Exhibitors may exhibit only those products/services for which the application has been approved. The ISHRS may refuse to accept the application of any individual or entity whose display of goods or services is not compatible, in the sole opinion of the ISHRS, with the educational character and purpose of the ISHRS and its World Congress or that to its knowledge demonstrably infringe on the intellectual property or other rights of third parties. The ISHRS may require an exhibitor to provide additional information regarding its products or services, if the ISHRS determines that the information is necessary for the ISHRS to better assess whether the proposed exhibit is consistent with the educational character and purpose of the ISHRS and its World Congress.

SUBLETTING/USE OF SPACE

Exhibitors shall not assign or sublet any space allotted to them and shall not advertise or display goods other than those manufactured or sold by them in the regular course of their business. No individual or entity that has not contracted with the ISHRS for occupancy of exhibit space will be permitted to display or demonstrate any products, processes or services, solicit orders, wear exhibitor identification badges, or distribute advertising or other materials at the exhibition or the ISHRS World Congress in general. Any violation of this provision will result in prompt removal of the offending individuals and entities.

The ISHRS reserves the right to: (i) refuse exhibitor applications not meeting the ISHRS's required standards (including those standards and laws cited in the Exhibitor Claims, Legal Compliance, and Laser Regulations sections below); and (ii) remove exhibits or parts of exhibits that are inconsistent with the ISHRS's standards, rules, or the educational purpose of the ISHRS World Congress at any time before and/or during the exhibition. This applies to displays, literature, advertisements, novelties, souvenirs, conduct of persons, etc. The ISHRS does not in any manner endorse any of the products or services related to the exhibits which have been accepted for display during the ISHRS World Congress.

ASSIGNMENT OF BOOTH SPACE

Exhibit booth assignments will be made on a first come, first served basis and will be confirmed and communicated to the listed exhibitor contact person via e-mail on the date indicated in the timeline. You may indicate your exhibit booth location preferences during the online registration process, which will be considered but is not guaranteed.

PROGRAM GUIDE LISTINGS

To be included in the onsite program, the exhibit final product/service description must be received by the date listed in the timeline. Technical exhibit descriptions are subject to approval and may only include products and services for which the exhibitor application has been approved. Technical exhibit product/service descriptions are limited to 254 characters (including spaces) and are to be purely descriptive, not including marketing/advertising copy type words such as "best," "leading," etc. Exhibit descriptions must comply with the "EXHIBITOR CLAIMS" section in this Exhibit Prospectus.

CONTRACTOR SERVICES

Full details on the following official suppliers for all services will be listed on the Exhibitor Service Portal which will be available on July 23, as indicated in the timeline.

The following have been selected as the official contractors to service the exhibition at the ISHRS 33rd World Congress:

Messe Service Bau (MSB) is the official and exclusive exposition service contractor for this meeting. Messe Service Bau is the sole provider of the following services: trade show rental equipment & furnishings, audio/visual equipment, carpet rental (note that gray carpet is provided in the booth package), exhibit labor for installation & dismantle, and in-booth cleaning. On a non-exclusive basis, MSB also offers signs & graphics and custom-built booths. **If you plan to have a custom-built booth**, regardless of booth builder, your booth design needs to be approved by the ISHRS. Please contact Jule Uddfolk with the ISHRS at juddfolk@ishrs.org for further information.

DSV is our official international freight partner for the 33rd World Congress. The official freight partner can provide transportation, freight handling/drayage and customs services. **All exhibit shipments must be shipped to DSV's advance warehouse in Berlin, NOT directly to the meeting venue.** You are not required to use DSV's shipping or customs services – you may use the shipper and customs broker of your choice. However, DSV is recommended to assure smooth transit of your exhibit goods. **Please review their information that will be provided early and carefully to become familiar with shipping and import/export rules and regulations for Germany. It is highly recommended that you contact DSV early to be sure you will not have any issues shipping your exhibit goods to Berlin for the 33rd World Congress. Note that many non-EU companies may require EORI #s to ship to Germany and this government application takes time. Do be sure to ask your shipper/customs broker early in the process if your company requires an EORI #.**

InterContinental Berlin is the official and exclusive provider of electrical and internet service.

Regarding internet service, note that complimentary wireless internet is provided for all attendees and exhibitors in our meeting space. However, if you require a dedicated line for assured connection, you will want to explore ordering a dedicated line through the InterContinental Berlin at your own cost.

The official contractors act on their own behalf in all arrangements with exhibitors and are not agents, employees or representatives of the ISHRS. All services or materials supplied by the contractors on order of the exhibitor will be billed directly by the contractor to the exhibitor. Therefore, the ISHRS does not assume any liability or responsibility for any act performed or omitted by such official contractor.

Ordering of services: The full details for placing orders will appear on the Exhibitor Service Portal which you will receive electronically on the date listed in the timeline. The exhibitor must abide by all rules and procedures that are outlined on the Exhibitor Service Portal and in this Exhibit Prospectus.

All exhibitor personnel must wear the official ISHRS exhibitor's badge for admission to and while in the exhibit area. Company badges will not be accepted in lieu of the official ISHRS badge. Exhibitors shall not affix stick-on items, punch, stamp, mark or otherwise deface or mark the exhibitor badges, nor shall they remove the badge from the provided neck lanyard as the lanyard is part of the official badge credential. Although security personnel may be provided by the ISHRS for the night-time protection of the exhibit area, the ISHRS, Messe Service Bau, and the InterContinental Berlin shall have no liability whatsoever for theft, loss, or damage to property belonging to exhibitors, their agents, employees, business invitees, visitors, or guests.

WAIVER OF LIABILITY

Exhibitor hereby waives any and all claims, actions, causes of action, losses, and damages of any kind or nature exhibitor may have against ISHRS, the InterContinental Berlin, and their respective directors, officers, members, agents, employees and successors, directly or indirectly resulting from, arising out of, or in any way related to this Exhibit Prospectus. This waiver of liability applies to all claims, actions, causes of action, losses, and damages of any kind or nature whatsoever, including, but not limited to, direct, indirect, general, special, incidental, consequential, exemplary, statutory, contractual, or damages or losses of any other kind or type. This waiver of liability applies whether the alleged liability is based on contract, negligence, tort, strict liability, or any other basis and even if ISHRS or the InterContinental Berlin knew or should have known of the possibility of such damages. This waiver of liability shall be enforceable to the maximum extent permitted by applicable law.

CHANGE OF LOCATION

If the selected location is not available or if, in its sole discretion, the ISHRS believes that it is in its best interests to do so, the ISHRS shall move the ISHRS 33rd World Congress to another location.

ACCESSIBILITY

Exhibitor represents and warrants that its exhibit booth shall be reasonably accessible and usable by persons with disabilities and that it will be in compliance to the extent applicable under regulations implementing Title III of the Americans with Disabilities Act.

OTHER REGULATIONS

The ISHRS shall have the sole authority to interpret and enforce all rules and regulations governing exhibitors and the ISHRS 33rd World Congress. Any and all matters not specifically covered herein are subject to decision by the ISHRS. These rules and regulations may be amended at any time by the ISHRS upon written notice to all exhibitors. Each exhibitor expressly agrees to be bound by the rules and regulations set forth herein and by any amendments thereto adopted by the ISHRS from time to time. Any exhibitor or exhibitor representative who, in the opinion of the ISHRS, conducts itself unethically may immediately be dismissed from the ISHRS 33rd World Congress without refund or other appeal.

VIOLATION OF RULES

A violation of ISHRS's rules, regulations, and/or policies will result in a 2-year ban from exhibiting at any ISHRS meeting, at the ISHRS's sole discretion. The company may reapply in 2 years. If another violation occurs, then the company will be banned for 3 years.

A violation onsite at the meeting may result in denial of access to the exhibit area, denial of exhibit display installation, and/or closing or removal of the exhibitor's exhibit display.
