#2: DSV Global Transport & Logistics – Official Freight Partner:

DSV is our official international freight partner for the 33rd World Congress. DSV provides shipping, freight handling/drayage and customs services. You are not required to use DSV's shipping or customs services – you may use the shipper and customs broker of your choice. However, DSV is recommended to ensure smooth transit of your exhibit goods. **However, all exhibit freight must be shipped to DSV's advance warehouse for forwarding to the show floor (the one exception is listed under Important Points #1 below).**

Please review their [Shipping Instructions](#) early and carefully to become familiar with shipping and import/export rules and regulations for Germany. It is highly recommended that you contact DSV early to be sure you will not have any issues shipping your exhibit goods to Berlin for the 33rd World Congress.

KEY FREIGHT DEADLINES	
September 22, 2025	ADVANCE SHIPMENT RECEIVING BEGINS First day the warehouse will begin receiving advance shipments without surcharges.
October 17, 2025	ADVANCE WAREHOUSE SHIPMENT DEADLINE Last day for advance shipments to arrive at warehouse without surcharges.

IMPORTANT POINTS:

1. **All exhibit shipments, regardless of which shipper/customs broker you use, must be shipped to DSV's advance warehouse, NOT directly to the meeting venue.** The **only exception** is that DSV will receive exhibitor deliveries at the InterContinental Berlin docks **ONLY on Wednesday, October 22nd during exhibitor set-up hours, starting at 1:00PM.** Deliveries to the meeting venue on any other days will not be accepted. Contact DSV for further instructions if you plan to ship directly to the meeting venue.
2. **Many non-EU companies might be required to have a EORI # to ship to Germany and this government application takes time. Do be sure to ask your shipper/customs broker early in the process if your company requires an EORI #.** If you are shipping through DSV, our official freight partner, the ISHRS's EORI # will be used for your shipment as needed.
3. **Non-EU exhibitors are advised to NOT hand carry exhibit goods** which will be subject to customs clearance on arrival. In the event you are stopped at the airport upon arrival, you may be required to hand over the goods along with the required paperwork. Not following the proper customs clearance procedures in advance may result in your not having your exhibit goods for the show.
